

ADVANCED DISTRESSED CUSTOMER ENGAGEMENT 2025

Transforming Strategies for Aligning Customer Expectations with Success

19-20 May 2025 | PARKROYAL COLLECTION KUALA LUMPUR

"Today's consumers do not buy just products or services - more and more, their purchase decisions revolve around buying into an idea and an experience." **McKinsey & Company**

Delivering effortless customer service & successful engagement requires a deep understanding of your customer's needs and preferences and the ability to provide a seamless experience. With so much competition in the market, customers expect nothing less than the highest level of service from business they choose to do business with. It may be difficult for employees to adequately respond to these demands in an environment shaped largely by uncontrollable external forces. Successful service is no longer a matter of mere technical proficiency. It is a combination of technical expertise, the ability to manage both information and people, and efficient communication. This workshop provides you with powerful new insights into customer behavior and provides effective tools for creating lasting customer satisfaction.
