# MANAGING **POWER & POLITICS** IN PROJECTS 2020™

High Impact Project Stakeholder Management™

Additional Coverage on:

**“Influence Tactics of Effective Project Managers”**

(Critical Areas for Project Managers who have to Influence Without authority!)

Successful project outcomes depend on how project professionals are able to deal effectively with a wide range of players with differing interests, motivations, and agendas. Great project managers are excellent at dealing with power & politics in projects and manage various stakeholders effectively to achieve remarkable project outcomes. This program is designed to help project professionals develop "stakeholder management skills" that will enable them to deal effectively with customers, co-workers, managers, vendors, and anyone else who they encounter during the course of their projects. Learn this essential competency that all project managers MUST have to achieve greatness!
